II. COMMITMENT OF THE THREE PARTIES

By signing this document, the teaching staff member, the sending institution/enterprise and the receiving institution confirm that they approve the proposed mobility agreement.

The sending higher education institution supports the staff mobility as part of its modernisation and internationalisation strategy and will recognise it as a component in any evaluation or assessment of the teaching staff member.

The teaching staff member will share his/her experience, in particular its impact on his/her professional development and on the sending higher education institution, as a source of inspiration to others.

The teaching staff member and the beneficiary institution commit to the requirements set out in the grant agreement signed between them.

The teaching staff member and the receiving institution will communicate to the sending institution/enterprise any problems or changes regarding the proposed mobility programme or mobility period.

1 Adoptions to this template:
   - In case the mobility combines teaching and training activities, this template should be used and adjusted to fit both activity types.
   - In the case of mobility between Programme and Partner Country HEIs, this agreement must be always signed by the staff member, the Programme Country HEI and the Partner Country HEI (three signatures in total).
   - In the case of invited staff from enterprises to teach in Partner Country HEIs, this agreement must be signed by the participant, the Programme Country HEI as beneficiary; the Partner Country HEI receiving the staff member and the Programme Country enterprise (four signatures in total). An additional space will be added for signature of the Programme Country HEI organising the mobility.
   - For invited staff from enterprises to teach in Programme Country HEIs, it will be sufficient with the signature of the staff member, the Programme Country HEI and the sending organisation (three signatures in total, same as in mobility between Programme Countries).

2 Seniority: Junior (approx. < 10 years of experience), Intermediate (approx. > 10 and < 20 years of experience) or Senior (approx. > 20 years of experience).

3 Nationality: Country to which the person belongs administratively and that issues the ID card and/or passport.

4 Any Programme or Partner Country enterprise or, more generally, any public or private organisation active in the labour market or in the fields of education, training and youth ...

5 Erasmus Code: A unique identifier that every higher education institution that has been awarded with the Erasmus Charter for Higher Education receives. It is only applicable to higher education institutions located in Programme Countries.

7 The ISCED-F 2013 search tool (available at http://ec.europa.eu/education/tools/isced-f_en.htm) should be used to find the ISCED 2013 detailed field of education and training.

8 A minimum of 8 teaching hours per week (or any shorter period of stay) has to be respected. If the mobility lasts longer than one week, the minimum number of teaching hours for an incomplete week shall be proportional to the duration of that week. If the teaching activity is combined with a training activity during a single period abroad, the minimum is reduced to 4 teaching hours per week (or any shorter period of stay). There is no minimum number of teaching hours for invited staff from enterprises.

9 Circulating papers with original signatures is not compulsory. Scanned copies of signatures or electronic signatures may be accepted, depending on the national legislation of the country of the sending institution (in the case of mobility with Partner Countries: the national legislation of the Programme Country). Certificates of attendance can be provided electronically or through any other means accessible to the staff member and the sending institution.
