German Language Diploma ÖSD

Do you want to test your German skills and feature this in your curriculum vitae, your résumé or your application? Then the internationally recognised German Language Diploma (Österreichisches Sprachdiplom Deutsch – ÖSD) is just the thing for you! Since 2005, over 350 students and external candidates have taken the opportunity to sit the ÖSD exam at one of the six available levels at FH JOANNEUM.

International Skills Certificate (ISC)

At FH JOANNEUM, we offer you many opportunities to acquire intercultural skills. The ISC is a certificate which testifies that you have acquired intercultural and language skills during the course of your studies and acts as an additional qualification.

Intercultural competence and an understanding of interculturalism are increasingly becoming key qualifications for future careers. Both signify confidence in your ability to operate in different cultural and linguistic settings, to think inclusively and to feel secure in the role of “being foreign”. Intercultural skills also include a solid level of fluency in foreign languages, a great talent for observation and openness towards people from different cultural backgrounds.

In order to be awarded the ISC by FH JOANNEUM, you must be a student or exchange student at FH JOANNEUM and demonstrate skills in four areas of competence. These four competence modules cover a wide range of skills in an intercultural context and should be completed during your studies at FH JOANNEUM.

You can find all information about the ISC online at: www.fh-joanneum.at/isc

The open and culturally diverse environment with people from more than 40 different countries as well as an intercultural focus on culture and communication ensure stimulating exchanges between the international and Austrian students.

Our secret recipe for successful German learning are small learning groups, individual support, motivated and qualified lecturers experienced in university-level teaching as well as effective teaching materials tailored to the particular requirements of university-level language learners.

R.U.D.I.
RESPECTFUL • UNITED
DIVERSE • INTERCULTURAL

R.U.D.I. stands for ‘respectful, united, diverse, intercultural’ because we share the conviction of the European University Association that openness and tolerance are fundamental academic values in the university sector. A wide range of opinions and the freedom to share these opinions form the basis for liberal-mindedness.

The prerequisites for participation in the R.U.D.I. courses are an enthusiasm and curiosity about other cultures, intercultural awareness, empathy, good communication skills, openness, good time management and a readiness to learn from others.

R.U.D.I. courses focus on intercultural communication and competence and are committed to facilitating the exchange of ideas, languages and cultures and to expanding your horizons. The R.U.D.I. courses also count towards our Intercultural Skills Certificate (ISC), an additional important qualification for your international career.

LANGUAGES

We want to raise language learning to a whole new level, away from random words and standalone grammar, towards language in action and the ability to interact with people in other languages both successfully and with pleasure.

Our courses are designed so that they can be attended by virtually all students and employees of FH JOANNEUM. They are based on the semester timetable for most degree programmes, last 15 weeks and include 30 hours of teaching. If you pass a language course successfully, you will be awarded 3 ECTS credits which count towards the Intercultural Skills Certificate (ISC)! All our language courses are open to students AND staff of FH JOANNEUM!

You can find our language course offer online at:

TANDEM
PROGRAMME

The Tandem+ Programme at FH JOANNEUM brings together people from different cultures and different languages. The aim of Tandem partnerships is to facilitate the exchange of languages, experiences and cultures. Although many students at FH JOANNEUM are aware that international (exchange) students attend their university, very few of them take the first step in getting (culturally) closer. We would like to change this, with your involvement!

Our Tandem+ Programme is designed to offer all students the opportunity to participate in a recognised intercultural programme (2 ECTS) in a relaxed and exciting atmosphere. The Tandem+ Certificate can be credited towards our *Intercultural Skills Certificate (ISC)*.

In order to obtain the Tandem+ Certificate from FH JOANNEUM, you need to demonstrate that you have completed activities from the five Tandem+ Modules together with your Tandem partner. The five modules represent different skills in an intercultural and linguistic context and should be completed during one semester. Participation in certain sessions is mandatory as part of the Tandem+ Programme. The activities available can be freely selected in consultation with the Tandem partner. Completion of activities accounting for at least 50 points is required in order to obtain the Tandem+ Certificate.

You can find all information about the Tandem+ Programme and its modules online at:

www.fh-joanneum.at/tandem
