

Volunteering in developing countries

Grants 2022

The province of Styria supports **foreign assignments of Styrian youths, students and socially engaged people** between and 18years30 in developing countries.

Prerequisites:

- ⇒ It is a **voluntary assignment (volunteering without pay) in a development cooperation project in Africa, Asia, Oceania or Latin America funded by the Province of Styria** (see www.fairstyria.at/projekte) and
- ⇒ the duration of the assignment is at least 2 months.

Grant Application:

In the period from **February 1, 2022 to October 31, 2022**, funding for a volunteer assignment can be applied for using the **online application form on the FairStyria website at www.fairstyria.at/foerderungen**. The **application** must be submitted to the province of Styria **before the assignment abroad** - no support is possible afterwards.

The application must be accompanied by:

- ⇒ Resume
- ⇒ Confirmation of the voluntary service by the project executing agency in Styria
- ⇒ Confirmation of volunteering by the project partner in the developing country

Amount of support and payment:

The amount of the **one-time support** is staggered according to the duration of the stay in the developing country and will be transferred to the specified account after **conclusion of a funding agreement in** accordance with the loan sixths that become available - at the latest, however, by the end of the calendar year 2022. **After returning** from the volunteer assignment, a **short report including photos** must be submitted as proof of implementation.
