Dear Students,

University of Maribor is glad to invite your students to our Summer Schools 2022.

We are organising **five different** Blended Intensive Programmes (BIP) for students in various academic fields, which will take place in August and September 2022.

Each module includes lectures, workshops, applied visits and an attractive social program.

We will be grateful if you can share this message with your students.

If you have any questions, please do not hesitate to contact us at summerschool@um.si.

We hope to meet your students at our summer schools.
