# HANYANG UNIVERSITY

## INTERNATIONAL WINTER SCHOOL

Greetings from Hanyang University!

We are delighted to invite your students to explore a taste of campus life at Hanyang University, Seoul, Korea. As one of Korea's leading universities, we will do our utmost to provide the best program for your students and allow them to take full advantage of their 2-week stay with Hanyang this winter.

As always, the 2022 HIWS will be held between December and early February with two 2-week sessions. The program includes world-class education combined with a variety of unique cultural activities, providing invaluable experiences to all

HIWS students.

# "Edutainment"

HIWS is an Edu-tainment program that balances academic activities and cultural activities for international students.

---

## **Education**

More than 14 courses in 5 different fields of study will be offered for students. Students will be able to choose one academic course and one elective for the two-week session. Since Hanyang University is one of top Korea's leading universities, we have a strong reputation for its approachable lectures who are leaders in their fields. The courses will motivate students to expand their views of the world by experiencing a new way of learning.

## Entertainment

5 fun activities including a cruise party and a one-day ski trip are ready for students to explore all corners of the Korean culture. Students may choose up to 3 activities for free, taking part in these activities on the weekend is a brilliant way to give students a well-rounded snapshot of the contemporary Korean lifestyle.
