# Study in tranquil Bali or ultramodern Dubai

**Curtin's two-week Global Summer and Winter University Programs will provide you with an unforgettable experience, giving you the opportunity to step into another culture and to take your studies, skills and résumé to the next level. You could even gain credit points towards your degree!**

## Upcoming programs

**Green Entrepreneurship (Bali)**  
27 December 2022 to 6 January 2023

**Digital Leadership (Dubai)**  
27 December 2022 to 6 January 2023

## About the locations

### Bali

Curtin's partner institution Politeknik International Bali delivers the sustainability-focused Green Entrepreneurship program.

The 15 hectare campus in the Nyanyi Beach area is only 15 minutes from the tourism hotspot of Canggu. Built in the style of a Balinese resort, the campus is surrounded by green open spaces to provide a tranquil, comfortable atmosphere and a genuinely Balinese student experience.

You'll have access to a library, book lounge, various labs, a cafeteria, large outdoor gathering spaces and a greenhouse.

### Dubai

Curtin University Dubai, located in Dubai International Academic City, offers an innovative program in Digital Leadership.

Known for its incredible architecture, modern culture and futuristic vision, Dubai offers a study experience like no other. From the vast Arabian desert to the shimmering towers of central Dubai, you'll be able to combine your study experience with an eye-opening international adventure.

# Green Entrepreneurship (Bali)

27 December 2022 to 6 January 2023

## Program overview

This program is designed for individuals and organisations who are eager to develop entrepreneurial ideas and solutions for a 'greener', more sustainable future of our planet.

It is an intensive entrepreneurship learning and practising program in which you will develop your knowledge and skills of entrepreneurial innovation, extend your global networks through a unique on-campus experience and meeting industry guest speakers, and be inspired to bring your ideas for sustainable business development to fruition.

The program is delivered by a portfolio of experienced instructors from Curtin Perth, 'green entrepreneurs' from the ASEAN region, and venture capital experts specialising in green investment.

## Week one:

- The entrepreneurial mindset
- Sustainable innovation as a business opportunity
- Design thinking for ventures
- Sustainable business model design
- Building entrepreneurial confidence

## Week two:

- Financing entrepreneurial ventures
- Legal and regulatory challenges
- Strategic entrepreneurial growth
- Succession planning, valuing and harvesting ventures

**Credits:** Equivalence of 25 credits or 6 ECTS

*If you receive a pass you will receive the Course Completion Certificate with the pass grade equivalent to 25 credits into select degrees at Curtin University. If you would like to seek credit recognition at your home institution, it is your responsibility to contact your home institution to arrange credit transfer.*

**Cost:** A\$3,200 with accommodation or A\$2,700 without accommodation

**Eligibility:** Open to both professionals and students (undergraduate or postgraduate) from all over the world.

**Structure:** Lectures (35%), guest speakers (35%), site visits and onsite workshops (20%), Bali cultural program (10%)

# Digital Leadership (Dubai)

27 December 2022 to 6 January 2023

## Program overview

As we enter the era of 5G and 6G, digitalisation offers tremendous opportunities for business and entrepreneurship development. To exploit this rapid technological advancement and business-model innovation, corporate managers and entrepreneurs must equip themselves with the relevant leadership skills.

The program is delivered by a portfolio of experienced instructors from Curtin and UAE governmental agencies, and digital entrepreneurs from newborn unicorns.

In completing this program, you will gain in-depth knowledge of managing business in a digitalised global marketplace and develop advanced leadership skills in the context of digitalisation. As an additional benefit, you will also be able to join Curtin's global entrepreneurship network.

### Week one:

- Importance and need of a circular economy
- Importance of leadership for a sustainable business and society
- Key concepts of leadership

### Week two:

- Fundamental approaches to leadership and circular economy
- Leadership styles and behaviour in light of circular economy
- Strategic plan for leadership

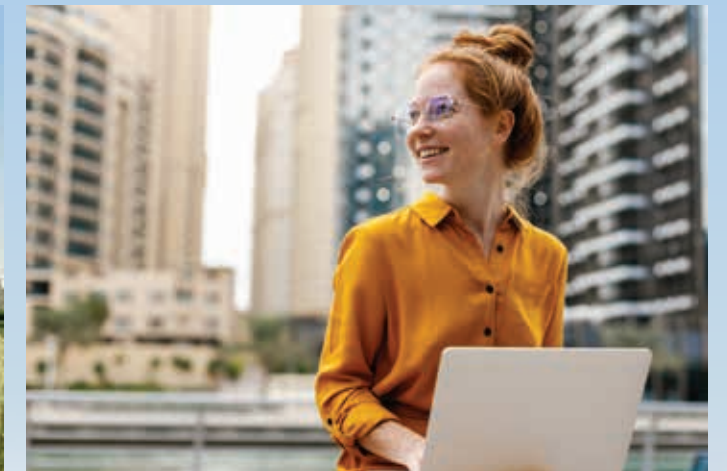

**Credits:** Equivalence of 25 credits or 6 ECTS

*If you receive a pass you will receive the Course Completion Certificate with the pass grade equivalent to 25 credits into select degrees at Curtin University. If you would like to seek credit recognition at your home institution, it is your responsibility to contact your home institution to arrange credit transfer.*

**Cost:** A\$3,500 with accommodation or A\$2,800 without accommodation

**Eligibility:** Open to both professionals and students (undergraduate or postgraduate) from all over the world.

**Structure:** Interactive sessions (40%), workshops (30%), site visits and engagement (20%), United Arab Emirates cultural program (10%)
