WHY FINLAND

- Finland's education system is regarded as one of the best in the world.
- The Global Happiness Report has ranked Finland as the happiest country in the world for the fifth year in a row.
- Finland is the cleanest and greenest country in the world and wherever you are, nature is always close by.
 - Finland is a safe country with a unique local culture.
 - Finland is full of interesting contrasts, the four seasons, the Midnight Sun and winter darkness, urban and rural areas.
- Studying in Finland is not just about the studies. It is a chance to make friends, build networks and experience something new.

WHY XAMK

South-Eastern Finland University of Applied Sciences (Xamk) is a higher education institution with focus on responsible wellbeing, technology and creative industries.

- Xamk has ranked as the best University of Applied Sciences in Finland in 2021.
- Like all of our four campuses, Xamk Kotka Campus is located in a beautiful Finnish town, filled with culture and surrounded by nature.
- At Xamk, we have adopted a more practical approach to teaching that responds to working life needs.
- Our educational and working methods take into account the differences in students' individual learning needs.
- Our studies are motivating and inspiring and students receive high quality guidance.
- It's your time to enjoy Finnish student life and create wonderful memories.
