

THE HAGUE SUMMER SCHOOL

Newsletter

The Hague Summer School 2023 registrations are open!

It's official, the registrations for The Hague Summer School 2023 are open!! Are you interested in looking at global issues from an interdisciplinary perspective? Would you like to work together in international teams to develop your cross-cultural competences while making new friends and having fun?

[Register now!](#)

Housing

We have secured accommodation in walking distance of The Hague University of Applied Sciences' campus. Our accommodation includes both breakfast and dinner. You'll be sharing a room and facilities with other The Hague Summer School participants.
